

Federal Aviation Administration

Cincinnati Flight Standards District Office

GL05FS25

operation Raincheck

Lebanon Warren County
Airport
Lebanon, Ohio
Tuesday, March 27, 2001
7 pm

Highland County Airport
Hillsboro, Ohio
Tuesday, April 10, 2001
7 pm

Come to any of these
three seminars and meet
staffers from the Dayton
Automated Flight Service Station
(...they're real people, not robots),
from Dayton Air Traffic Control Tower
and from Cincinnati Air Traffic Control
Tower.

Sunbird Aviation
Springfield Beckley Airport
Springfield, Ohio
Wednesday, April 25, 2001
7 pm

**They'll discuss services available to pilots as
well as airspace and runway incursion issues.
Bring your questions and concerns about FAA
air traffic and weather services.**

Free...no reservations necessary...satisfies "Wings" requirements.

Information call Martha Lunken 513-533-8443, Lebanon Airport 513-932-7966
Highland County Airport 937-393-9112 or Sunbird at Springfield 917-322-2711

Here It Comes!

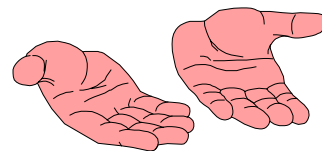

Wings Weekend X
Butler County Regional Airport
July 5-6-7, 2001

Pilots...

Plan now to attend. No advance notice or reservations needed...just show up at HAO that weekend to receive 3 hours free dual instruction and earn a phase in the FAA "Wings" program...eliminates the need for a flight review.

CFI 'S

CFI 's...You've always been so generous...last year we flew 150 pilots in one weekend! I need you again! Please call Martha Lunken
